Summary

Location: Remote - Central

The Regional Director, Access & Reimbursement NPS (Novartis Patient Support) Radioligand Therapy Central geography. This is a remote & field-based role that covers the following, but not limited to: Des Moines, IA; Denver, CO; Sioux Falls, SD; Kansas City, KS; Dallas & Houston, TX. The individual must live within the geography and must be near major metropolitan airport; Travel, as required, and potentially on short notice.

The Regional Director (RD), Access & Reimbursement is a field-based role that serves as the regional lead for Novartis Radioligand Therapy (RLT) Novartis Patient Support (NPS) Access & Reimbursement field teams. RDs lead a team of diverse field access & reimbursement roles focused on supporting customers on all matters related to patient access to our evolving RLT portfolio.

The RD will provide leadership, management and coaching, operations, compliance, and budget oversight for their aligned regions in support of aligned product(s) strategy and pre-specified business goals. The RD must maintain a national perspective in their decision-making, collaborate with other PSS and cross-functional RDs, and lead projects/initiatives at a national- and regional-level. RDs are responsible for linking business strategy with exquisite and compliant execution within their regions to deliver pre-specified impact for the Novartis Pharmaceutical Corporation (NPC). They are also responsible for consistent acceleration of appropriate pull through of aligned business objectives. RDs should consistently demonstrate openness for courageous conversations and performance management of their direct reports to enable and bolster a for-ward-thinking culture, while also driving overall business impact.

RDs will partner closely with other Novartis Pharmaceuticals Corporation (NPC) field and headquarter-based associates, including Customer Engagement (Sales) and Market Access, representing NPC with the highest integrity in accordance with NPC Values and Behaviors. RDs will also be required to coordinate and communicate cross-functionally within NPC (e.g., Patient Support Center, Customer Engagement, Marketing, Market Access, Public Affairs, State & Government Affairs, Trade, Specialty Pharmacy Account Management, and other applicable third-party affiliates). The scope and scale of the role will adapt to meet the expanding needs of Novartis in pursuit of enterprise impact.

About the Role

Key Responsibilities:

- Attract, coach, and retain team of high performing Access & Reimbursement professionals.
- Provide frequent, ongoing performance feedback to all direct reports and foster a team oriented, supportive working environment. Create and nurture a team culture that embodies NPC Values and Behaviors and drives innovation, performance, and reputation. Seek to enhance your team's work experience by inspiring them, encouraging curiosity, and leading without authority.
- Pull through national strategy at a regional level to enable exquisite execution. Under the advisement of their manager, RDs also may be responsible for leading specific national strategies and tactic development.
- Proactively anticipate and coach teams on how to address access hurdles impacting key customers and patients.
- Integrate with NPC leadership and collaborate across multi-functional teams (PSS, Customer Engagement, Marketing, Market Access, Operations, Training, Legal, Compliance, etc.) to ensure a collaborative and compliant approach to support regional field success.
- Seek to identify challenges, escalations, and/or delay in treatment initiation and continuation; closely partner with all matrix team members to resolve such issues.
- Understand specifics of, and resolve questions associated with, practice and/or patient reimbursement to support on any issues with third party payers.
- Identify opportunities to complement NPC capabilities to strengthen the ability for patients to have access to therapy.
- Maintain a deep understanding of NPC policies and requirements and perform all responsibilities with integrity and in a manner consistent with company guidance and prescribed Values and Behaviors. Handle Patient Identifiable Information (PII) appropriately (understand and ensure compliance with HIPPA and other privacy laws and regulations and internal Company compliance guidelines). This comes with the added accountability of ensure your teams are also adhering to NPC policies.

What You'll Bring to the Role:

Education: Minimum of a bachelor's degree; advanced degree preferred (Majors preferred: Sciences, Business, Pharmacy, and Healthcare)

Essential Requirements:

- Minimum of 8 years in reimbursement, contract strategy (if applicable), managed care, sales/marketing or related field roles. At least 2 years leading a regional or local team and managing and collaborating across multiple stakeholders.
- Experience working with highly complex practices and/or health systems to establish access and acquisition pathways.
- Strategic account management experience using a proactive approach to anticipate access hurdles impacting accounts and patient access.
- Deep expertise and experience integrating manufacturer-sponsored patient support programs
- General knowledge of reimbursement pathways (specialty pharmacy, buy-and-bill, retail)
- Experience with specialty products acquired through specialty pharmacy networks and through buy-and-bill process, including expertise in acquisition, billing and coding, claims processing, and reimbursement
- Possess a strong understanding of Commercial payers, Medicare plans and state Medicaid in geographic region.
- Proven track record of building, and motivating teams, strong verbal and written communication skills
- Must live within assigned territory or near a major airport close to the geography; Travel, as required, and potentially on short notice
